

The Ribeye Inflatables Series

Ribeye has looked at the best craft available and then built its own distinct range of craft to meet your boating needs. The new ranges have more to give and are designed to work at their best with Yamaha four-stroke outboards from 2.5 to 30hp. Small models offer simple reliability for tender use while the largest can handle sporting action.

General features

Ribeye AF and IF Inflatables feature a V keel, which gives superior directional control and sensitive handling for quicker manoeuvring. The buoyancy tubes are made with a resilient polyester fabric, which is coated on both sides with PVC and is highly resistant to abrasions, fuel and UV rays. The tube seams overlap by 2.5cm and are reinforced with seam tape both inside and outside for added protection. To maximise tube integrity polyurethane glue is used which is highly durable and protects against heat and salt water. A special marine plywood coated with PU paint is used for the decks and transoms providing extra protection against sunlight, salt water, fuel and oil. Standard equipment includes carry case, PVC paddles, foot pump and maintenance kit.

Warranty period: 5 years on buoyancy tube fabric; one year against defects in workmanship.

Ribeye AF Models

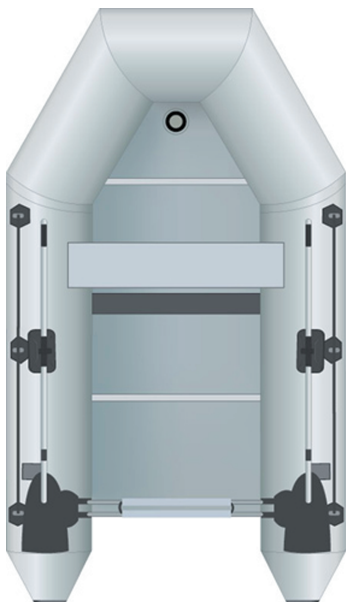

The Ribeye AF is an exciting all-purpose sports inflatable boat, designed for fun and for serious on-water leisure action. There are two models, 4m and 4.3m, both of which come equipped with specially designed hard wearing, yet lightweight aluminium floors for minimal maintenance. They feature a V-hull configuration with an inflatable keel section which you will appreciate in rough waves. All Ribeye features combine to aid precision handling and increased stability during sporting manoeuvres.

Ribeye AF400

Overall Length: 400cm
Width: 200cm
Weight: 96kg
Tube Diameter: 50cm
Max Person: 7 + 1
Max Eng Power: 30hp (22.5kW)
Engine Shaft: Standard
Bag Size: 138 x 70 x 48cm
Bag Weight: 59kg
Floor Bag Size: 120 x 88 x 16cm
Floor Weight: 37kg
Price (inc VAT): £1,599

Ribeye AF430

Overall Length: 428cm
Width: 200cm
Weight: 100kg
Tube Diameter: 50cm
Max Person: 8
Max Eng Power: 30hp (22.5kW)
Engine Shaft: Standard
Bag Size: 138 x 70 x 48cm
Bag Weight: 60kg
Floor Bag Size: 120 x 88 x 16cm
Floor Weight: 40kg
Price (inc VAT): £1,699

Ribeye IF Models

The Ribeye IF inflatable range has been specially designed for speed of use, easy care, simple cleaning and practical stowage. They come with inflatable floors that are rugged and light yet comfortable to the foot. IF models have been installed with a newly designed inflatable keel for directional control and stability.

Ribeye IF230

Overall Length: 230cm
Width: 130cm
Weight: 29kg
Tube Diameter: 33cm
Max Person: 2
Max Eng Power: 2.5hp (1.9kW)
Engine Shaft: Standard
Bag Size: 115 x 65 x 35cm
Price (inc VAT): £799

Ribeye IF260

Overall Length: 259cm
Width: 150cm
Weight: 41kg
Tube Diameter: 41cm
Max Person: 3 + 1
Max Eng Power: 6hp (4.4kW)
Engine Shaft: Standard
Bag Size: 115 x 65 x 35cm
Price (inc VAT): £849

Ribeye IF280

Overall Length: 279cm
Width: 150cm
Weight: 42kg
Tube Diameter: 41cm
Max Person: 4
Max Eng Power: 10hp (7.5kW)
Engine Shaft: Standard
Bag Size: 115 x 65 x 35cm
Price (inc VAT): £879

Ribeye IF310

Overall Length: 308cm
Width: 150cm
Weight: 43kg
Tube Diameter: 41cm
Max Person: 4 + 1
Max Eng Power: 15hp (11.2kW)
Engine Shaft: Standard
Bag Size: 115 x 65 x 35cm
Price (inc VAT): £939

Ribeye SF Models

Ribeye SF inflatables are small, easily carried and simple to assemble. SF models have special lightweight, slatted marine-ply floors that roll up with the boat for compact stowage. Inflation ready to use or deflation for stowing takes just a few minutes.

Ribeye SF230

Overall Length: 230cm
Width: 126cm
Weight: 28kg
Tube Diameter: 36cm
Max Person: 2
Max Eng Power: 2.5hp (1.9kW)
Engine Shaft: Standard
Bag Size: 115 x 65 x 35cm
Price (inc VAT): £499

Ribeye SF250

Overall Length: 250cm
Width: 126cm
Weight: 34kg
Tube Diameter: 36cm
Max Person: 3
Max Eng Power: 4hp (3.0kW)
Engine Shaft: Standard
Bag Size: 115 x 65 x 35cm
Price (inc VAT): £549
