

## *“Round the Island”*

### *A circumnavigation of Mallorca in two days by RIB*

*July 14<sup>th</sup> and 15<sup>th</sup> 2007*

The plan is to circumnavigate the island of Mallorca in two days leaving from Palma de Mallorca on the morning of the 14<sup>th</sup>

The Ribeye Team will stay at the Melia Palais hotel on the night of the 13<sup>th</sup> July and will be available for those who arrive on the 13<sup>th</sup> to check over boats and assist with your set up.

We will meet at the Alboran Marina in Palma at 09.00hrs in the morning of the 14<sup>th</sup> for a briefing and check over of the boats before setting off and sailing around the southern part of the island in the morning, exploring the calas and bays along the South Coast, Camp de Mar, Port Andratx and Sant Elm, before sailing the inside passage of the island of Dragonera.

We then turn North West and head up the mountainous coast passing the port of Valldemossa and Cala Deia before reaching our lunch (and refueling stop if required) at Soller

In the afternoon we will continue up the North West coast exploring Cala Tuent and Sa Colobra stopping for a swim or a stroll ashore (sea conditions permitting) before rounding the headland at Formentor and entering the Bay of Pollensa.

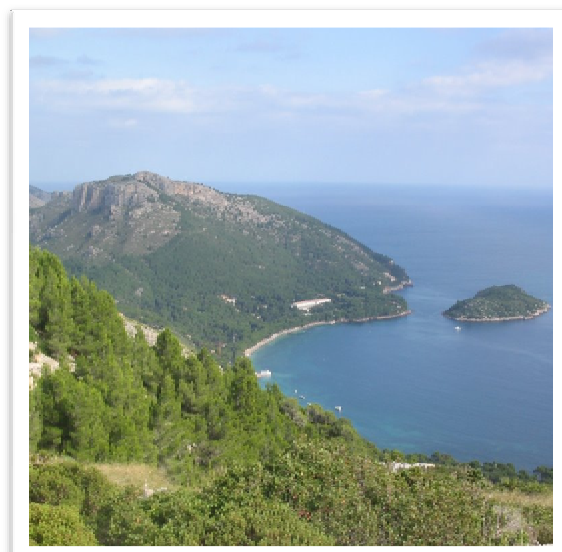

Sa Colobra Bay

We can pull into the yacht club to refill tanks for the morning before moving across to the anchorage outside the Hotel.

We have rooms booked at the 5 star Formentor Hotel in Formentor, Pollensa Bay. We have arranged to use the jetty for the smaller Ribs, and we have moorings for the larger ones. Upon disembarkation we have organized a drinks reception in the hotel gardens before check in.

Formentor Bay and Hotel

After a shower and clean up, we have a barbeque organized in the hotel garden

(please see separate sheet for Formentor Hotel activities and menu)

On the morning of the 15<sup>th</sup>, we will leave Formentor after breakfast at about 09.30hrs and head out of Pollensa Bay and across Alcudia Bay towards Cala Torta where sea direction permitting we will be able to anchor, swim and have a morning refreshment at the small beach bar on this wonderful sandy and deserted beach. Rounding Cap de Capdepera at Cala Ratjada we then turn South East and run along the coast down to Porta Colom which is the best natural harbor in Mallorca. Here we will stop for lunch and fuel for those that need it.

After lunch we will continue down the South East Coast rounding the headland at Cap de ses Salines before turning North East for the run back to Palma. We still hope to have time to stop at Playa de Trench with its miles of sandy beach for a last swim and a glass of wine before heading back into Palma Bay and our mooring in the Alboran Marina at around 19.00hrs

We have berths available at Alboran Marina in Palma on the nights of the 13<sup>th</sup> and the 15<sup>th</sup> of July, boats may arrive after 3pm and need to be away by 10am on the days of departure.

We have a secure moorings in Formentor Bay next to the hotel, and we hope to have use of their jetty as well.

We have hotel rooms at the Formentor hotel and we can arrange rooms at the Melia Palais Hotel (close to the Alboran Marina in Palma) for those who may want a room the night before or the night after the voyage.

If you would like us to reposition your boat to and from Palma for this voyage please let us know and we will endeavor to help you with this.

The price for this voyage includes:
