

RIBEYE TURNKEY PACKAGES

Ribeye S and A Series are sold only as turnkey packages. Every Ribeye is built to the customer's individual requirements. There is a choice of Yamaha engine size, electronics, seating and a huge range of accessories.

We are able to provide a comprehensive range of services to enhance your boating experience. We have a network of Ribeye Sales Centres around the country who can provide the following services: launch, recovery, storage, tuition, mooring, engine service.

At Ribeye we believe every customer requires individual attention. Please contact us so that we may discuss your requirements and guide you in your choice.

Ribeye products are at the top end of the market but we assure you that our quotations are very competitive.
